Per World Headquarters Rules

The count of clubs is based on the number of clubs TI lists as being in the Area, regardless of whether whether the club(s) are in good standing or not. A club in good standing is one that paid its dues for at least 6 members for the last dues period.

A club remains 'in an Area' until two dues periods of non-payment have passed.

Note: City Speakers is a new club in Area 31, as of January, 2012
